

# An Accessible Home

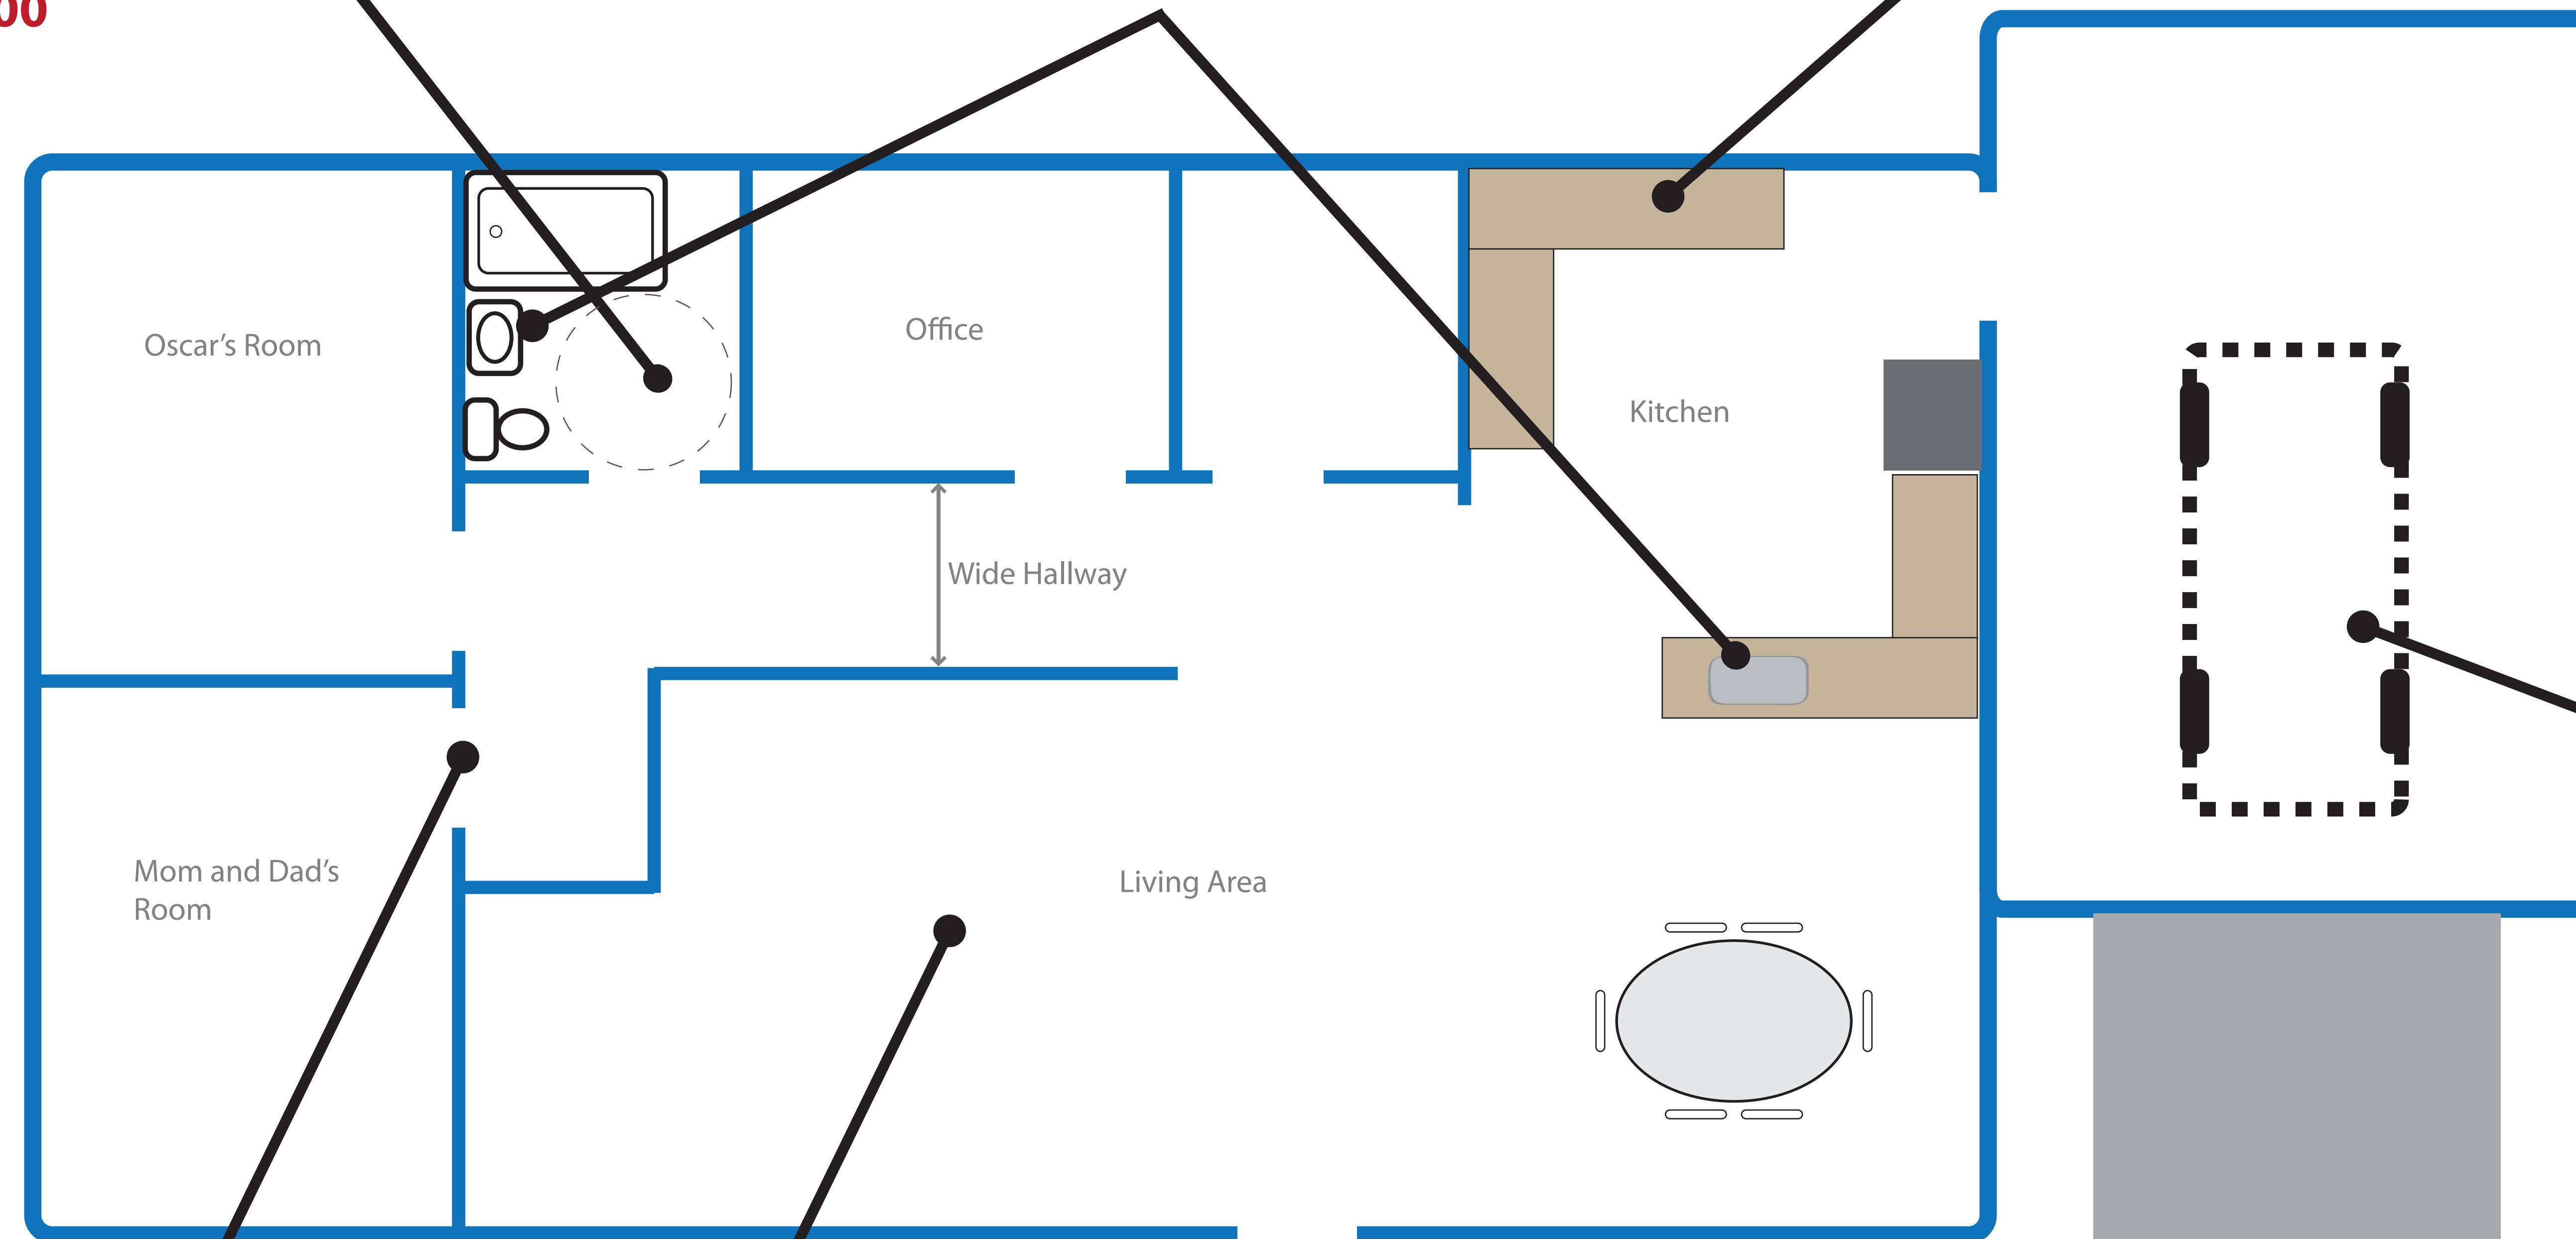

Oscar will likely face many barriers as he navigates the world in the coming years. Our primary goal is to allow him to feel comfortable in the place he calls home, with few, if any, obstacles.

A bathroom that is large enough to maneuver in a chair, with safety and convenience features:

- Bathtub padding: **\$75**
- Toileting System: **\$700 - 1200**

Motion sensor faucets for independent control. **\$150 ea.**

Customized counters to allow Oscar to share in his parents love of cooking. **\$500**

Accessible vehicle: **\$40,000**

A single level home to allow Oscar to fully participate in all activities: **\$160,000**  
 or  
 For a 1600 sq. ft. house **\$100 per sq. ft.**

Door levers to allow easy passage:  
Approx. 8 at **\$15 each**

An open floor plan

Accessible no-step entry, depending on the need:

- Threshold Ramps: **\$50**
- Large Ramp: **\$1500**
- Landscaped: **\$3000**
